### Early Years Visit

This week our Early Years children enjoyed a very exciting visit to Tynemouth Aquarium to support their learning about life under the sea. There was much excitement when the children returned to school talking about all of the different animals they had seen with particular favourites being sharks and a giant octopus. A big thank you to all of the adults who accompanied the children and helped to make it such an enjoyable experience.

### Headteachers Treat

A big well done to Kai, Billy, Joshua, Rihaan, Kara-El and Liv who were the highest point scorers from each class last half term. They enjoyed a yummy Headteachers treat this week.

### School 360 Points
