Disco

Last chance for Disco tickets on Monday as we will be ordering the refreshments and will need to have confirmed numbers.

Thursday 18th June 4.00-5.15pm. Tickets are £3 and include a hot dog, drink and snacks.

Safety to and from school

A number of parents have raised concerns about some children being on the road with bikes, scooters and walking and not showing enough care. Next week Road Safety will focus in our assembly programme but please spend some time at home talking about crossing the road safely and especially looking before you cross. We really do not want any accidents.

Coming Soon

From September we will be using a new App and online system to share information with parents called Arbor. This will be a one stop tool which will allow parents to book clubs, pay for trips, lunches, and events, update their child's key information, as well as booking parents evening slots. Next week we will be sending home information on how to download and register the app in preparation for our big launch in September. We will be holding set up drop ins if anyone requires any help to get up and running. Arbor will be our primary communication tool in September and will be replacing some of our current systems.
