WEEKLY NEWS

Issue 35-3rd July 26

www.facebook.com/share/1BMhtQZGds/

A big thank you to everyone who joined us to support the children in their sporting events. It was great to see so many parents and family members in school enjoying the children's success. We just about got away with the weather even if Early Years' event was a little windy. A big well done to all of the children for showing resilience and determination in how they approached each of the events. Thank you to all of the staff for their efforts in making the Sports Days such a success.

Transition Day

This week the children have had the chance to visit their new classroom and meet their new teacher. All of the children settled well and enjoyed completing activities linked to theme of when I grow up creating art work in the style of Little People Big Dreams books. This work will be displayed in each class for the children returning in September. Many of our Year 6 children spent 2 days at Lord Lawson this week and the feedback from the children has been very positive with exciting stories about colour changing Bunsen burners and making many new friends.

Arbor

Parents should have received a sign up email from Arbor. From September this will be our primary communication source between school and home. It is vital that all families sign up so that they are up to date with all key information. If any one needs support please pop in to see us.
