Parental Survey

Thank you to everyone who took the time to complete the recent questionnaire. The feedback has been overwhelmingly positive and we have taken on board any suggestions on ways in which we could further improve. As always I am happy to speak to individual parents in regards to any suggestions or feedback they may have.

Staffing Updates

We are sad to be saying goodbye to Mrs Donkin who is leaving us to take on her new role at Lord Lawson and wish her lots of luck. In September we will be welcoming two new members of staff into our school Mrs Kilpatrick (teaching assistant) and Miss Donkin (Early Years Apprentice).

What a year!

I just wanted to take this opportunity to celebrate all of the positive things which have happened over the course of this academic year. In particular I wanted to say a huge well done to each and everyone of the children who have worked so hard and achieved so much. In January we introduced our 3 R word Robots– Responsible, Respectful and Resilient. This has helped us to refocus our school values and ethos and has enabled us to promote our R words consistently in school each day. The children have responded well to these and particularly enjoy receiving our weekly Robot awards. The children have had some fantastic opportunities to attend events alongside children from other Gateshead schools including the Dance Festival and Summer Sing as well as a number of sporting events. Again the attitudes which have been shown at these events have been positive with the children being great ambassadors for our school. Within school we have had some really successful events such as disco's, pumpkin parades and Easter egg competitions which have really supported our community feeling in school. On a personal level I can't believe that I am coming to the end of my first year as headteacher at Barley Mow and would like to express thanks to everyone who has shown support and kindness over the past 12 months. I hope that everyone has an amazing Summer!
