New Attendance Incentive

Last week we launched our new attendance incentive 'In to Win'.

All of the children now have a card where they receive a star for each week when they are in school every day- 100% attendance for that week. Over the half term the children will collect a number of stars showing, these stars will then be able to be spent at the 'In to Win' shop. There will be many treats to get, ranging from 1 star up to 10 stars. The children can decide to spend their stars if they see something they want or they can save them and get something worth more stars the next half term. A huge thank you to Charley and Paul Gray who have helped us to make a start with stocking our shop of treats. We look forward to seeing all of the children's cards filling up over the coming weeks.
